FOR YOUR SYMBOLIC  
CEREMONY IN THE  
DOMINICAN REPUBLIC

"Our personal wedding ceremony couldn't be more beautiful. It really was a dream day!"

## *What is a symbolic wedding ceremony?*

A symbolic wedding can be a romantic addition to your civil ceremony, as civil ceremonies happen to be very formal and short. A symbolic wedding is also a wonderful idea to renew your vows in an unforgettable way.

## *How long does a symbolic wedding ceremony take?*

A symbolic wedding usually lasts between 30 - 45 minutes, it depends on how much you reveal of your personal love story, wishes and dreams. The more information and inputs we get, the more comprehensive and interesting the ceremony will be.

## *What is the price of a symbolic wedding ceremony in the Dominican Republic?*

Costs may vary depending on where in the Dominican Republic the symbolic ceremony will take place, how many guests will be present and what components will be included or booked in addition.

## *What is the procedure of a symbolic wedding ceremony?*

Our wedding speeches are written especially for the bridal couple, i.e. they are very personal and based on your own love story as well as your wishes and dreams for the future. Our speeches are created through interviewing the wedding couple together, each one separate and also your family and friends. Don't talk about your individual interviews so your ceremony will be personal and also a wonderful surprise with inputs from people who love you!

Our interviews are done by questionnaire, Skype or telephone. Also, a variety of elements can be included: such as ring change, vows, sand ceremony (at an extra cost), mottos, saying "I do" to each other once again in front of family and friends as well as speeches from relatives. We are more than happy to implement your ideas. A symbolic wedding ceremony is usually structured like a "normal" wedding ceremony.
